

2024 Bishop's Ranch Retreat with Fr. Seán ÓLaoire
Sunday, March 17 – Wednesday, March 20

"Taking a Breather Between Incarnations"

Finally, at age 77, I have decided to speak much more fully about an intensely personal spiritual experience I had on January 30, 2006. In this retreat, I will explain the history and methodology of Dr. Michael Newton's "Life Between Lives (LBL) form of hypnotherapy.

Then I will go on to speak, in personal detail, about my own four-hours long LBL session with my good friend, and co-author of "Why?" – Matt McKay, a clinical psychologist trained in LBL.

This retreat will be quite an emotional experience for me, so cut me some slack!
